

FIGURE SKATING

Ice skating is a lifetime sport for the entire family!

Bring your family to the Franklin Park Ice Arena to embark on a lifetime of skating fun! We offer reasonably priced lessons year-round for skaters of all ages. You can enroll your first-time skater in an age-appropriate class and master skating fundamentals along with your spouse or teenager. Our classes are conveniently offered in the evenings and on Saturdays. Weekday tot classes are also available.

Our experienced, professional skating staff is eager to share their knowledge and skill with you and your family. We teach you the basics of balancing and gliding and give you the confidence to advance through the nationally recognized Ice Skating Institute curriculum. *weSKATE* is the leading learn-to-skate program that focuses on teaching people to skate for the fun of it.

New sessions start in **September, December, March** and **June**. Skates are available for rent at just \$2 or you can purchase a discount pass at \$20 for 15 rentals.
