

AFTER-SCHOOL PROGRAM

Ages: Grades 1+
Days: Monday–Friday, every day that District 84 is in session
Dates: Fall 2010
Time: 3:15–6:15 pm
Location: Community Center

Attention, Parents!

Alleviate your childcare worries while keeping your kids safe and giving them opportunities for fitness activities. As cited by the national program **After School All-Stars**, kids in after-school programs show an increased interest in school, earn higher grades, have improved attendance, behave better in school and are more apt to graduate.

Use our program as a safe place where your child can have fun playing and socializing with others. We incorporate an inspiring mix of recreation, education and fitness for youth in grades 1 through 8. Each day the students have time to play in the gym, complete their homework and replenish their energy with a healthy snack. We even exercise our creative muscle with craft time.

Pre-registration is necessary. You can enroll for the entire semester or on a monthly basis. One-way transportation from District 84 schools is available. District 84 students are eligible for the In-District rate, regardless of residency. Second siblings can enroll at a 15% discount.

Total fees-based on daily charge of \$7.50 for care plus \$2.50 for transportation.

For more details or to request a Parent Handbook, please contact Dan LoCascio at 847-455-2852 or dlocascio@fpparks.org.

Note: *New families must schedule a meeting with the program manager to review important procedures before beginning the program.*

Special activities like a Lego contest keep the children active and engaged.

After school programs keep kids safe, help working families and inspire success among youth.

After School All-Stars

ORIENTATION MEETING

Parents and students:

Join us before the program begins to meet the counselors and learn about the program procedures.

Wednesday, August 11 • 6:15 pm • Community Center
