# Something for Everyone

### Welcome friends of the Ice Arena:

As we enter our 39th season the staff at the Franklin Park Ice Arena is ready with some exciting changes to our annual lineup. No matter what your interests may be, our goal is to make the best programs available to you and your family. The Ice Arena is here for your exercise, enjoyment, and community interaction all year.

This year we will focus on some fun interactive changes to our *Let's Skate!* Public Sessions by adding Cosmic and DJ SK8. Twice per season, we will transform the mood with special lighting augmented with great music provided by a guest disc jockey during the Cosmic SK8 sessions. And on the first Saturday evening in October, February and April your whole family will enjoy skating to your favorite hits with our staff DJ.

New this season we've added the Pink with Purpose Girls Hockey Tournament over Thanksgiving. A showcase of girls hockey with an emphasis on skating for a purpose as they raise funds for the Susan G. Komen foundation. And we've revamped our Birthday Party packages to make it easier to celebrate your special day at the Ice Arena.

Please remember to visit our website **fpice.com** for detailed class schedules and information on the many programs offered at the Franklin Park Ice Arena. Don't forget to follow us on Facebook and Twitter for continuous updates and photos on programs and events.

### Enjoy the ice!

# Youth Hockey Programs

### Skill-building and competitive fun for aspiring hockey stars of all ages and levels

### Learn the Game! Panther Instructional Hockey

Our **Panther Paws** classes cover hockey basics for youngsters ages 3 and up. All great hockey players are great skaters, so that's where we begin. Through progressive drills, Panther Paws teaches proper skating technique for a solid hockey foundation. We end the session with a cross-ice game on the "big ice."

In **Junior Panthers**, designed for future stars ages 6 and over (and those recommended by Panther Paws instructors), we move on to stick-handling drills on the Studio Arena. This is a fun, competitive atmosphere with the introduction of cross-ice games on the Main Arena.

A new Panther Instructional Hockey session starts four times per season: September, December, March and June. Skates are available for rent at \$3 or you can purchase a Discount Skate Rental Card (\$30 for 15 rentals).

### Play the Game! Panther Hockey Program

A new season of Panther Hockey action begins in **September** and again in **March**. Our Gold Mite–Midget teams play in the **Northwest Hockey League**. Our girls' teams play in a league against other all-female teams. We offer practices, games, power skates and skills clinics (including special sessions for goalies) so Panther Hockey players can develop their talent and sportsmanship on the ice.

Panthers start as young as age 7 and continue through high school. They enjoy quality house league play at a reasonable price.

## **Dynamites** on the Studio

Fast-paced, fun action for players up to 6 years of age. Practices will be held on the Studio Arena with some weekend 3-on-3 cross-ice games on the Main Arena. In addition to games in-house, skaters will travel to other rinks for fun, interactive 3-on-3 cross-ice hockey jamborees. Full gear is required; limited sets of loaner equipment are available. Please contact Stan Dubicki, Assistant Arena Manager, for details: 847-671-4268.

### **Step Up Your Game**

Two classes offered each session. Our goal is to provide instruction in the fundamentals of hockey such as solid edge control, forward and backward power skating, tight turns, stick handling, shooting and stops. Step Up Your Game helps develop players to their fullest potential and teaches them to work hard and enjoy the best game around. This is a fast-paced class that really strengthens each player's hockey skills. All skaters must wear full equipment.
