

Vaccination Requirements for Facility Rentals

In accordance with Cook County Department of Public Health Order 2021-11

As of Monday, January 3, 2022, Cook County Department of Public Health's (CCDPH) **Mitigation Order 2021-11** mandating proof of vaccination requirements for certain businesses and facilities, including health, fitness & recreation centers is in effect. Continuing indoor masking is also required.

CCDPH defines health and fitness centers as "all indoor settings for recreation and exercise." and all Park District of Franklin Park facilities fall within this definition. This applies to customers who book Community Center, Ice Arena and North Park Rentals.

Proof of vaccination and valid ID's are required for individuals 19 years of age and older to enter facilities.

Exemptions to the order include:

- Youth participants ages 18 and younger participating in programs and events at Park District facilities
 - Spectators of indoor sporting events provided that no food or drink is being served and that they remain masked at all times
-

The Park District of Franklin Park's policy for rentals in accordance with CCDPH Order 2021-11 is as follows:

- Any individual age 19 or older who registers for a facility rental must present proof of vaccination and a valid ID at the time of booking
- The individual who registers for the facility rental is responsible for contacting all attendees ages 19 and older to record their vaccination status
- The individual who registers for the facility rental must provide a list of attendees ages 19 and older and their vaccination status to Park District staff on the day of the rental
- Masking is required at all times for individuals ages 2 years or older, regardless of vaccination status

Please note, more policies may be added by the Park District of Franklin Park as we navigate through this unprecedented time.

Please understand the position of the Park District of Franklin Park during this mitigation period. We sincerely appreciate your cooperation, understanding and patience, and look forward to providing safe and healthy programs and services for you and your families.
